		<p>idea to hand 1 marshmallow to each child as they walk in instead of having them just sit on the table(kids take too many)</p> <ul style="list-style-type: none"><li>● Popcorn: run 3-4 batches of popped corn so that ppl arent waiting. Have an adult supervising at the beginning so that the students know what to do. Need to start popcorn at minimum half before the event starts. The line gets too long</li></ul>
